Dear Sir,

### **ILLEGAL MOVEMENT OF SIERRA LEONEAN PLAYERS TO FOREIGN COUNTRIES**

We write with reference to the above and to officially inform you that certain Sierra Leonean Clubs and individuals are bent on smuggling Sierra Leonean players out of the country using neighboring countries like Guinea and Liberia as their conduit.

To this end, the Executive of the Football Association would like to alert CAF and your good offices to inform all Football Associations of this latest development. In the mean time the Sierra Leone Football Association would like to communicate this information to all embassies and consulates in neighboring ECOWAS Countries for their attention.

In an attempt to protect these youth players who are under the category of minor and upwards from illegally being smuggled out of the country, the Football Association would count on the cooperation of CAF in protecting young players from misuse.

Kind regards

Yours faithfully
